EXHIBITION RECAP

With the support and guidance of the Ministry of Industry and Information Technology, the Ministry of Commerce, and relevant government departments of Beijing, the 19th China International Machine Tool Show (CIMT2025) was successfully held in Beijing from April 21 to 26, 2025. This exhibition was sponsored by the China Machine Tool & Tool Builders' Association and co-organized by CMTBA and China International Exhibition Center Group Co., Ltd collectively with the theme of "Integrated Innovation, Digital & Intelligent Future", it covered a total exhibition area of 310,000 square meters, making it the world's largest professional exhibition for machine tool in the past decade. The exhibition attracted 2,449 exhibitors from 31 countries and regions around the world to showcase their products. The total number of trade visitors reached 211,993, and the total number of visitors to the exhibition by person-time was 416,570, setting a new record in the history of the exhibition. The exhibits cover the entire industrial chain including high-end CNC machine tool, precision functional component, intelligent equipment and system, and focus on presenting the latest achievements of in-depth integration between cutting-edge technologies such as artificial intelligence, the Internet of Things, and green manufacturing and machine tool.

CIMT2025 has received extensive attention from government departments and all industries of society. Leaders from relevant departments including the State Council, the Ministry of Industry

and Information Technology, the Ministry of Commerce, the Ministry of Science and Technology, the People's Government of Beijing Municipality, and the State Administration of Science, Technology and Industry for National Defense visited the exhibition in person for research and guidance. Dozens of mainstream media outlets such as China Central Television (CCTV), Xinhua News Agency, and Economic Daily covered the exhibition from multiple perspectives. Specifically, CCTV's Morning News featured a special report on the innovative products of the exhibition, which significantly enhanced the exhibition's influence and communication effect.

The exhibition sponsor, China Machine Tool & Tool Builders' Association (CMTBA), organized a variety of forums, conferences and exchange activities. These included: the "International CEO Forum of Machine Tool Manufacturing Industry 2025", Laser and Additive Manufacturing Branch Establishment Conference and 'Light Intelligent Manufacturing' Forum, the NC-Link Alliance Member Conference and Technical Exchange Activities, the Release Ceremony of the 2024 Survey Results for "Top 10 in Independent Innovation" and "Top 10 in Product Quality", the Symposium on the Application of Domestic CNC Machine Tools in Key Fields and NC-Link Application Achievement Demonstrations, Publicity and Training on the Association's Group Standards, and the "Educational Institutions Showcase" Themed Exhibition. During the exhibition, a total of 113 technical seminars were held, with approximately 4,500 attendees.

Domestic exhibitors

1,567

Overseas exhibitors

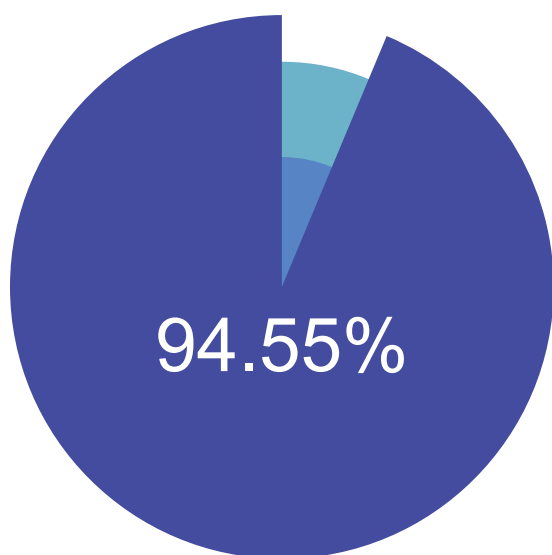

882

A total of 2,449 exhibitors from 31 countries and regions participated in the show. Among them, 882 were overseas exhibitors, and industry associations and trade promotion organizations from 13 countries and regions including Germany, the United States, the United Kingdom, Switzerland, Italy, Korea, Spain, Japan, the Czech Republic, India, France, as well as Chinese Hong Kong Region and Taiwan Region organized pavilions. There were 1,567 domestic exhibitors, with 11 branches of the CMTBA organized pavilions including the Cutting Tool Branch, the Machine Tool Accessory Branch,

the Non-Traditional Machining Machine Tool Branch, the CNC System Branch, the Superhard Material Branch, the Rolling Functional Component Branch, the Abrasive and Grinding Tool Branch, the Digital Display Device Branch, the Spindle Branch, the Forging and Pressing Machinery Branch, and the Machine Tool Electrical Appliance Branch. Compared with CIMT2023, the total exhibition area and the number of exhibitors increased by 121.43% and 54.80% respectively.

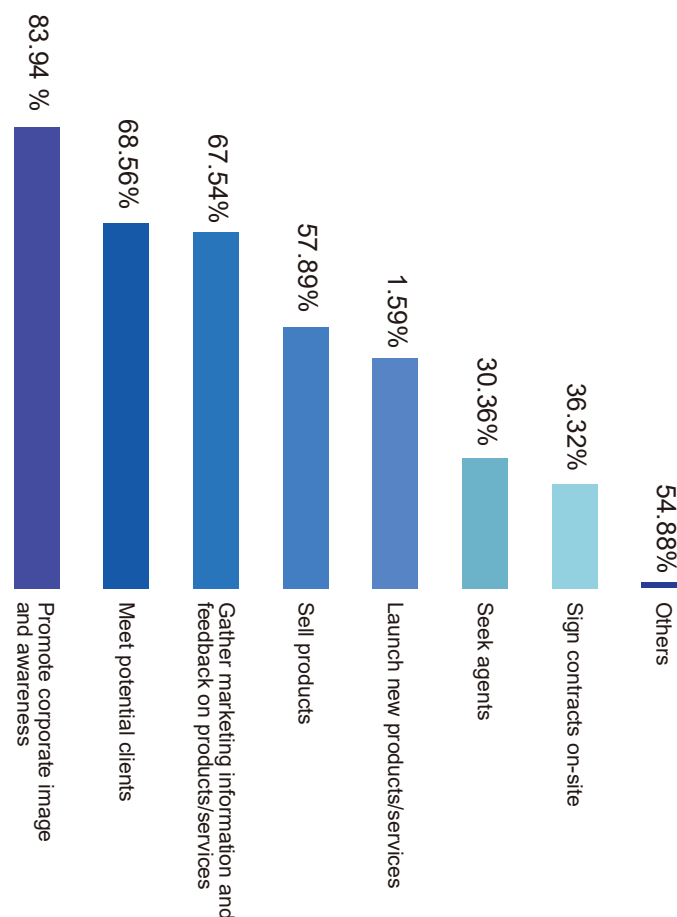

EXHIBITOR'S STATISTICS

The Proportion of Achieving Exhibition Objective

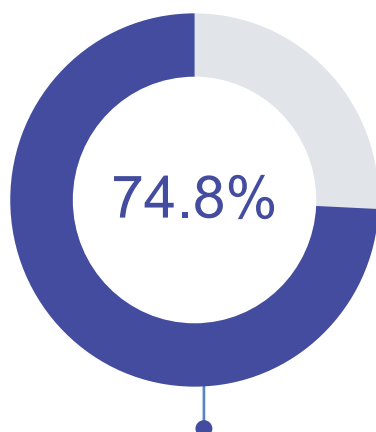

● 94.55% of exhibitors accomplished goals
